

Better Start

This is easy to read information about the **Better Start** Program.

Carers NSW

Carers NSW is an organisation for carers in NSW.

A carer is someone who supports a family member or a friend with disability or others who need it.

Better Start Program

Carers NSW has a program called **Better Start**.

Better Start is for parents and carers of children with disability.

We can help your family get information and support.

What Better Start does

- Give you information about the NDIS
- Help you prepare for the NDIS
- Help you ask for an NDIS plan review
- Help you make a complaint about the NDIS

Better Start can help with ECEI

Early Childhood Early Intervention (ECEI) is a way for young children to access the NDIS.

It is sometimes called ECEI for short.

Better Start can

- Give you information about ECEI
- Help you apply for ECEI

We run free workshops about
