

10 - 16 OCTOBER 2021

EVENTS CALENDAR

**MILLIONS
OF REASONS
TO CARE**

National Carers Week 2021 will be celebrated throughout Australia from Sunday 10 to Saturday 16 October 2021, and is about recognising and celebrating the outstanding contribution Australia's 2.65 million family and friend carers make to our nation. National Carers Week is a time to show our appreciation and learn about carers and caring in Australia. This year's theme is Millions of Reasons to Care!

With funding from the NSW Government Carers NSW is pleased to provide grants to carer support groups and organisations to hold events across NSW to celebrate carers.

It is a requirement that all events must be held in accordance with the NSW Health COVID-19 guidelines in place at the relevant time of your event.

Official advice is changing constantly, so please refer to the [NSW Government website](#), for up to date information about what the current government rules and guidelines are in NSW and your local area.

Information is current at the time of publication however is subject to change.
